Subject: Notification of Date of Commencement of Commercial Operations.

This letter serves as formal notification that the commercial operations of an additional plant of Balaji Extrusions and Cables Private Limited, located in Village - Palsana, Taluka - Pardi, Dist - Valsad, Gujarat, will commence on 27th March 2025. This project involves the construction and operation of a new manufacturing facility of Copper Drawing.

On the requirement of our client Balaji Extrusions and Cables Private Limited, we visited the site on 23rd March 25 with a company executive named Mr. Chintan Patel. We are pleased to announce that the project has reached the stage where it is ready to begin operations and generate revenue. We are optimistically confident that this project will be a valuable asset to each stake holder involved in the facility.

As informed to us, Balaji Extrusions and Cables Private Limited have taken all necessary steps to ensure a smooth and successful transition into commercial operations, including completing all necessary regulatory approvals, training personnel and securing necessary resources.

For our knowledge, we have visited the site to verify the installation of machinery, also we have verified some necessary regulatory approvals and resources required for the operations which are mentioned below,

- 1) Land Survey Number of the Facility:841 which was later Amalgamated with Survey No. xyz
- 2) Power Increase demand application of 1250 KVA for said facility instead of 600 KVA of existing facility, which was approved and Power was increased.
- 3) GST Certificate remains the same for this additional facility as of the previous operational facility.
- 4) Invoice generated by the new facility will be in the same series as both facilities share the same GST registration number.
